As part of our continued effort to keep our downtown partners well-informed, we share regular updates on planned protests, marches and rallies expected in Downtown Denver. While these events are often peaceful, we want to ensure you have the most up-to-date information. The Downtown Denver BID Security team is here to be a resource if you encounter any issues or have any problems. Below are the planned events

**Solidarity with Philadelphia**

Dates and times: Tuesday, October 27, 2020, 5:00 pm  
Location: 200 E. Colfax - Colorado State Capitol

**Denver Post- Election Protest for a People's Mandate!**

Dates and Times: Wednesday, November 4, 2020, 6:00 PM  
Location 200 E. Colfax - Colorado State Capitol

We encourage those that are protesting to do so peacefully and we work closely with the Denver Police Department to ensure we can share any information that impacts downtown businesses. DPD is aware of these events and will be staffed accordingly.

As always, if you see a crime in progress, please call 911 to report this information

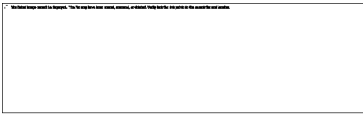

Businesses are asked to remain vigilant and practice situational awareness as these events occur. The Downtown Denver Business Improvement District will continue to provide updates if additional information becomes available.

For businesses signed up for the Public Shared Radio Network, real-time updates during the protests will be provided over the radio network.

If you have any questions, please reach out to BID Security 303-704-5369

Thank you for your continued partnership in ensuring Downtown Denver remains safe and welcoming.
